PBSJ has the right of attribution to this document as the author of the Instruments of Service. The Instruments of Service may not be used by others without the express permission of PBSJ. Permission is hereby granted to the Client to use the Instruments of Service in connection with the project for which they were prepared, provided that the Client pays PBSJ the compensation specified in the agreement between the parties. Upon payment, the Client shall be licensed to use the Instruments of Service in connection with the project, provided that such use is in accordance with the terms and conditions of the agreement between the parties. Reproduction of the Instruments of Service without the express written permission of PBSJ shall confer no rights on any other person or entity. PBSJ makes no representations regarding the suitability of the Instruments of Service for use on any other project, or for reuse on this project by others following the completion of the project, or for any purpose other than those specifically identified in the agreement between the parties. Any such use or reuse, or any modifications made to the Instruments of Service without prior written consent of PBSJ, will be at the User's sole risk and without liability or legal exposure to PBSJ. All copies made of the Instruments of Service shall bear a notice similar to this one, and these terms and conditions shall not be removed. Any delivery of the Instruments of Service shall not constitute a sale of the Instruments of Service or a transfer of any ownership or any rights in the Instruments of Service. The Client and all persons or entities authorized to receive the Instruments of Service agree to be bound by the foregoing terms and conditions. The Instruments of Service are not to be used by the Client or any other party until payment is received by PBSJ. Upon request, PBSJ will provide a sample set of the Instruments of Service for review and approval prior to any use. Any use or reuse of the Instruments of Service by the Client or any other party constitutes acceptance of the foregoing terms and conditions.
