

AAU Tournament Results
Bayside High School
19 April 2008

This tournament marks our fourth event as a team and we are finally back to our regular practice schedule. We had two wrestlers compete at the middle school division and four at the high school division. Competition was from Palm Bay High School, Space Coast High School, Wellington Academy, Bayside High School, Viera High School, Astronaut High School, Melbourne High School and the youth programs from Sebastian, West Melbourne, Titusville (Astronaut), Circle of Champions, and Deland.

Middle School Division

*Nick Pennella
Joe Dawley*

Results: Nick Pennella 2nd and Joe Dawley 3rd. While Nick has missed some practices with prior commitments with baseball and the construction, he finished with a 4-1 record with 4 pins.

High School Division

*Geoff Starnes
Tyler Riesen
Nick Spinazzola
Grant Eller*

This was our largest group of participants and they are picking up valuable experience that will help in their efforts at making the varsity level at High School. Results: Geoff Starnes 2nd, Grant Eller 2nd and Nick Spinnazola 3rd. Both Geoff and Nick continue to show improvement and wrestled well against some good opponents. Grant Eller chose to move up and compete against the high school level and, while he suffered his first defeat 8-10 against a more experienced opponent, still managed to finish second.

Congratulations to all the wrestlers, thanks to all the parents for the support and we look forward to seeing all at practice next week.
